Subject Index to Volume 2

A

Admixture solutions, stability of, 86
Albumin, label changes, on I.V. solutions, 93
American Nurses Association (A.N.A.), 182

B

Bone marrow transplantation, 198
Burns and I.V. therapy, 113

C

Cancer chemotherapy, new concepts in, 209
Catheter(s), infection from, 160
Chapter news, 27, 62, 99, 132, 183, 228
Children, emotional preparation for I.V. therapy, 211
Continuing Education, 213

E

Editorial, 147, 195
Entry level for nursing practice, 83

F

Federation of Nursing Specialties, 61, 182

H

Heparin, how, when and why to use it, 16
Heparin locks, 16

I

Infection, from an I.V. catheter, 160
Infection control, guidelines for, in emergencies, 94
Intravenous therapy
  admixture solutions, stability of, 86
  in the burn patient, 113
  catheter, infection from, 160
  catheterization, and venous physiology, 11
  children, emotional preparation for, 211
  department, staffing methodology, 149
  documentation of, 8
  infusion procedures, 48
  liquid crystal thermography, 54
  lung sounds and, 124
  mini-course, during personnel orientation, 127
  National Committee on Education, 131
  past, present and future, 40
  team, development of, 161
    who should direct?, 170, 207

J

Jelco Award, 68, 102, 121, 212

L

Letters to the Editor, 103, 220
Liquid crystal thermography, in evaluating venous physiology, 54
  and venous physiology, 11
Lung sounds, as an aid in I.V. therapy, 124

N

National Intravenous Therapy Association
  Atlanta Convention (1980), 178, 216
  Board of Directors, 23, 98
  by-law changes, 68
  Chicago Convention, 20, 71, 176
  National Committee on Education, 131, 185, 218
  New Executive Director, 112
  Standards Committee report, 219
  Statement of income, 139
Notice to Contributors, 6, 46, 80, 139, 147, 195
Nursing, B.S.N.—entry level for practice, 83
  guidelines for infection control in emergencies, 94
